- **Study Abroad**
- **Food2Kids**
 - Food2kids is a newer campus organization and we are looking for greek liaisons to join our team! Food2kids is a student led organization that works to end hunger in Athens and around Georgia. Every Wednesday at 5:30 we meet at the Northeast Georgia Food Bank and bag food for thousands of kids in Athens and surrounding counties that don't know where their next meal is coming from. Many children rely on the school system for meals, but on the weekends they aren't guaranteed they will eat. The food we bag goes home with them on Fridays and they are able to know they have food to eat on the weekends! The liaison would work with me and my cochair and plan nights for their chapter to come volunteer with us at the food bank and they would also attend weekly Wednesday baggings.
