Vice President of Panhellenic Standards Catherine Caldwell (crcald@uga.edu)

- Next week I will send out an email regarding the vote on updated recruitment rules for 2017. This vote is two fold and involves accepting NPC's outlined recruitment rules, which I will attach for you to read through, as well as UGA Specific Recruitment Rules, which will be the same with only minor changes. We are adopting the NPC Standing Recruitment Rules in order to better go along with NPC Policy however the rules are very general and serve as more of a broad outline. This does not impact or change our UGA Recruitment Rules in any way as you will see when reading through the NPC Document. If you have any questions please email me at panhellenicstandardsuga@gmail.com
