

Panhellenic Executive Board Election Procedures

1. Applications will not be accepted late.
2. Speeches should be no longer than 5 minutes and should not be office specific; no props/food! Applicants should speak to why they want to be or are qualified to be a Panhellenic Executive Officer-not just for a specific office, unless they are only eligible for VP-R/VP-RC.
3. Each Council member (delegates, assistant delegates, and chapter presidents) will get to fill out a voting slate. These slates will be tallied and taken into account when the current officers meet to finalize the slatings, but these slates do not necessarily determine the final slate.
4. No sorority may have more than one member represented on the executive board. An applicant must have served as a member of the Council for one year to be qualified, except for the positions of VP-Recruitment Counselors and VP-Recruitment. Applicants interested in these positions having served as a recruitment counselor for one year or chapter recruitment chair are also eligible. A person can be slated for VP-Recruitment Counselors that has not served as a recruitment counselor previously. Speeches made by those applicants that are only eligible for the 2 positions may still be general and not office specific
5. The slate will be announced Tuesday evening or Wednesday morning and must be taken back to each chapter for a vote. The executive board does not care how or who votes; each delegate needs to be able to represent their chapter in the Council vote. Delegates must be ready to represent their chapter during the Council vote on the specified date! Each chapter has one vote and it should be cast by the Panhellenic delegate
6. The slate as presented must pass by a majority affirmative (9 chapters) to be accepted. If the vote is not a majority, each individual office will be voted on beginning with President, VP-Recruitment, VP-Recruitment Counselors, VP-Administration, VP of Standards, VP of Finance & Correspondence, and VP of Public Relations.
7. If the slate does not pass in the chapter, the Panhellenic President must be notified no later than Monday Night prior to the Tuesday election. The chapter must notify her of where the problem was and have a new nominee ready for the position. It must also be "pre-approved" by the new nominee and she must be willing to run for the position. In other words the slate will not be voted down just to vote it down. There must be a viable alternative to the slate presented! The only people that can be nominated at Panhellenic re-voting are the people that the sorority nominated for the position(s) they break.
8. Office by office voting will be determined by simple majority. A delegate must have chapter approval to change their vote for any of the offices should office-by-office voting occur.
